BERNARD BRAGG TO ADDRESS KDES GRADUATES

Bernard Bragg, renowned mimist and artist in residence at Gallaudet College, will address Kendall School graduates at commencement exercises on June 27, at 10:30 a.m. in the MSSD auditorium. Thirty-eight students will be honored at the graduation ceremony, which will be followed by a luncheon reception in the MSSD dining room.

REMINDER

The campus road that comes in off West Virginia Avenue by Kendall School is not to be used for through traffic. This entrance is to be used for access to KDES temporary buildings only. The road is in constant use by construction vehicles and delivery trucks of all sizes and types.

One lane is left open at all times for emergency vehicles and school buses. Use extreme caution at all times in this area.

STUDENT ARTISTS

Kendall students are participating in an art contest sponsored by AMTRAK. By the end of this school year, three drawings must be selected and submitted to the AMTRAK office for judging and possible inclusion in next year's AMTRAK calendar, which is circulated nationwide. The students' names will appear on the drawings published. A number of entries have already been submitted to the KDES Transportation office. Entries include batik, crayon, watercolor or models and must portray an AMTRAK train.

The artwork of KDES students, along with a number of other D.C. schools, will be a part of the Second Annual Art Festival sponsored by WETA Channel 26. The purpose of the festival is to encourage children to use their artistic

ARTWORK CONTINUED

talents. At the same time, WETA hopes to provide an awareness of television programs for children which are both fun and educational. The theme of this year's festival is related to the International Year of the Child: "What I Would Most Like to Show Other Children About My Country." The selected art will be displayed publicly at various locations in the D.C. area. Special selections were shown at the Rock Creek Art Barn in D.C. on June 16th, and from these, WETA judges will select those best suited to be put onto slides for use on future television broadcasts.

ENERGY CONSERVATION TIPS FROM JIM HULL

"You think you have an energy problem? Look at it this way - a problem is only an opportunity in disguise. Rip away the disguise and think of alternatives, constructive ideas and solutions. All of us are provided with the equipment for thinking, and positive thinking does wondrous things. Without it we would still be in the dark ages. Think about conservation. The techniques and devices are available in the market place. You can help yourself. You may even enjoy it!"

KING'S DOMINION FUN CLUB

Summer is here! As a Gallaudet employee, you can take advantage of discount rates on admission to King's Dominion now through September 3, 1979. In addition to the discounts for lodging, restaurants, historical attractions and sightseeing, your Fun Club card also enables you to save on Avis rental cars and the purchase of the Encyclopedia Britannica.

For more information contact Kay Cobb, ext. 318.

NEWS FROM KDES

**Annual Awards Day ceremonies at Kendall School were held on June 22 at 10:00 a.m. in the MSSD auditorium. Each department presented awards to selected students for outstanding performance in a number of areas including art, home economics, physical education, attendance, scholarship, effort, behavior and citizenship.

**The Kendall Home and School Organization (KHSO) recently elected new officers for the '79-80 school year. By unanimous vote, Mr. Sandy Ewan was chosen president, with Willa Humber elected 1st vice president and Linda Beavert as 2nd vice president.

Mary Yeh will serve as corresponding secretary; Alice Patterson as recording secretary; and Cynthia Nathaniel as treasurer. Highlighting the June 7 meeting were remarks by Robert Davila, who introduced the new Acting Dean of KDES, Mike Deninger. Kay Meadow, who has served as Acting Dean this past school year, also addressed the group. Kay will soon be resuming her position as head of the Research Division at KDES.

AMONG OURSELVES

--Roslyn Rosen served as the keynote speaker and Norm Tully made a presentation at a conference on "Programs that Work" at the Florida School for the Deaf and Blind.

--Roslyn Rosen, director of the Special School of the Future project, was invited to be the commencement speaker at the Pennsylvania School for the Deaf on June 15.

CAMPUS VISITORS

Dr. and Mrs. V. D. Lele of India visited Kendall Green from June 18 - 21. Dr. Lele, an otolaryngologist, and his wife, the principal of the Mai Lele Deaf School in Nasik, India have presented the College with a watercolor painted by a ten-year old student from their school. The painting is available for viewing in the Visitors Center, Chapel Hall.
